

# ANGEL SKIN

*(5% AHA Cream)*

*Now the elimination of fine lines and wrinkles is a reality. This 5% AHA solution uses Glycolic Acid made from citrus, apples, and sugar cane to reduce the signs of aging. Green Tea helps tone the skin and eliminate toxins. That's the closest to angel skin there is.*

## DESCRIPTION

*A state-of-the-art formula is truly a state-of-the-art breakthrough. It includes a 5% Alpha Hydroxy Acid solution of Glycolic Acid made from apples, sugar cane, and citrus that works to reduce the appearance of lines. Plus the essence of Green Tea Extract (or Camelia Oleifera) helps soothe the irritation that sometimes accompanies AHA creams. They work together to refine the skins texture, rebalance skin's natural oils, and tone skin within four weeks.*

## APPLICATION

*After cleansing skin and using a toner, apply a thin layer of Angel Skin to face and neck. Avoid eye area. Massage gently into skin, moving upwards and outwards until cream is completely absorbed.*
